ELECTRICAL SCOPE OF OPERATIONS

The planning and implementing of projects to the private and public sector coupled with various consultancy services in the field of;

Supply, installation, testing & commissioning of the followings;

Medium and Low Voltage Systems:

Building and Industrial Electrification

Electrical Infrastructure

Street Light Installation

11 / 0.400 kV Rural and Town Electrification

11 / 0.400 kV Sub - Station

Installation, Maintenance and Overhaul of Power Plants

Extra Low Voltage Systems:

Security, CCTV, Access Control and Burglary Alarm Systems

Fire Alarm and Hospital Communication Systems

Public Address, Conference System and Master Clock Systems

Data Systems, FIDS System, Electronic and Video Display Boards

Solar system:

Solar Street lights

Solar Power Systems

Solar Water Pumping and Treatment Systems

MECHANICAL SCOPE OF OPERATIONS:

Supply, installation, testing & commissioning of the followings;

HVAC System

Fire Fighting System

Water & Sewerage System

Storm Water System

Irrigation

Waste Water Treatment Plants

Chemical blending plants

Plumbing and Drainage

Room and Central Air Conditioning

Plant rooms including boilers, softners, filters, etc., & Vault Rooms

Our Vision...

To constantly strive to exceed the expectation of our customers and employees, always honors our commitments. To deal honestly and proved reliability and performance execution of electromechanical works.

Our Mission...

Honest in relationships with Clients, Shareholders and Team Members. Respect for employees & provide development and training tools to maintain motivation and positive mental attitude. Focus on teamwork by encouraging communication, cooperation & sharing of information.

Our Values...

Is to become a major presence and influence in the ElectroMechanical construction industry. We will gain the respect of business allies and competitors alike through hard work and a strong commitment to quality service and customer satisfaction. Foremost, we will be recognized through out the industry as being fair and honest with all of our clients, suppliers and employees. We will aim to make strategic joint ventures and partnerships with international specialized contractors to expand our services fields and areas.

Mr. Samy Farah
Managing Director
Schroeder Projekt ElectroMechanic, LLC
samy.farah@schroederprojekt.com
Mobile: +971506212736

Mr. Samy Farah, born in Palestine in 1966, graduated from the University of Arizona (U.S.A) in 1987- B.Sc. in Electrical Engineering. Mr. Farah's vision started when he landed in U.A.E. in April 1988.

Mr. Farah worked in *Applied Engineering Establishment – SADCO* an Abu Dhabi local company as Electrical Project Engineer (1988 to 1991) and in the path to accomplish his vision, he started an electrical department in Al Geemi & Partners Contracting Company LLC – Bin Hamoodah Group in January 1991 taking responsibility for all electrical works, the giant Al Geemi carried at that time while heading the newly established electrical department.

Thereafter, for 16 years Mr. Farah built the operation of the department covering wide scale of electrical works including Infrastructure, Street Lighting, Industrial Projects and buildings power & lighting. Now serving as the Managing Director and partner of Schroeder Projekt ElectroMechanic, LLC, subsidiary of H.F. Schroeder – Germany and achieving its targets to the German standards with a locally-sourced dye rooted in strong business values and ethics.

With the support of the partners and board of directors mainly Wolfgang Schroeder and Mr. Youssef J. Al Saifi, the 2007 company AED Two Million paid up capital at founding, streamed through the economic crises successfully with current paid up capital of AED Five Million raised by the strength of company results. Schroeder group of companies now include Schroeder Construction LLC (65% owned by Schroeder Projekt) and Schroeder Transportation. Mr. Farah is also a partner and a board member of Everlast Wellness Medical Center LLC.

Mr. Farah was always determined to take prestigious, challenging and highly technical projects including works for PSD Boom Lighting Works – Metro Dubai, Baynounah Media Studios, Brighton School, NMC Specialty Hospital and other government projects currently the MTB Car Park for the new Abu Dhabi Midfield Terminal. These are few of the thirty projects that the Schroeder Projekt was involved in with a remarkable performance from the Client.

Mr. Farah, with the dream and vision to see the UAE, the highest ranked among the world nations; he has always strived to encourage and build individuals in support to the country's social structure.

As our Mission

Schroeder's full support to all Employees united with trust and honesty

As our Value

Schroeder values reflect to professional performance with quality and efficiency

As our Vision

Schroeder is a leader in providing construction services to our Clients by creating a successful partnership throughout the construction process.

Our pledge is to establish lasting relationships by exceeding more expectations and gaining trust through exceptional performance by SCHROEDER Team

ISO 9001:2015/ ISO 14001:2015/ ISO 45001:2018 CERTIFIED COMPANY

1. Introduction

Schroeder
Projekt ElectroMechanic LLC

ISO 9001:2015/ ISO 14001:2015/ ISO 45001:2018 CERTIFIED COMPANY

INTRODUCTION

H.F. Schröder started its operations in Hamburg, Germany over 80 years ago in 1933.

The company's overseas operation had to be shut down few short years later as a result of the world war 2. In 1954, H.F. Schröder started a full scale branch in Nigeria where it built a strong presence both in contracting and consulting, as well as, in technical services to the public and private sector. The company's success in Nigeria made it sought after by large multi – national organizations to be their exclusive representatives. Among them are EXPRESS LIFTS, SABIEM LIFTS and DEMAG CRANES to name a few.

Success breeds success so is the saying. The representations given to H.F Schröder in Nigeria were so successful that world – wide offers were coming and the company became in a position to be very selective. GRUNDIG appointed HFS as their exclusive agent for IRAQ and EGYPT so did SABIEM LIFTS for KENYA, TANZANIA and BURUNDI. CYPRUS awarded the company its contract for the complete power supply of its radio station and ZAIRE awarded HFS the consulting and surveying contract for its radio station in Kinshasa. A joint venture with MEGAT – MEGADEX was formed and successfully operated in POLAND.

In 1993 H.F Schröder sold its infrastructure in Nigeria to the UTC Group of Companies (a well-known Swiss managed group in Nigeria) and Gama Engineering was created. The key technical Staff has all shifted to Gama Engineering and the full backing/support of the Hamburg office is now for the benefit of the Nigerian affiliate. A long – term binding agreement has been signed by both organizations specifically stipulating that H.F Schröder is fully committed to provide all necessary support to Gama in terms of equipment, man power and technical know – how.

Consequently, in an effort to further spread its wings, H.F Schröder Directors have entered into partnerships and acquired several companies which enabled the group to execute projects in the Industrial, Commercial, Infrastructure, Oil & Gas, Airports and Health/Hospitals sectors.

Continuation for Introduction.....

Moreover, H.F. Schröder entered in 2007 into a joint venture agreement with newly founded company Schroeder Projekt a United Arab Emirate based company. **Schroeder Projekt ElectroMechanic LLC** – Joint Venture is a strong business associate to have. Quality, commitment, performance and unconditional satisfaction are the group's primary policy.

Since that date, Schroeder Projekt has executed prestigious and highly sophisticated jobs meeting the required quality and time. Moreover, **Schroeder** has completed MEP Works for Baynounah Studios & Offices project in ICAD-Abu Dhabi on March 2010 and Brighton College School-Bloom Garden in Abu Dhabi on Sept. 2011.

In the year 2011 onwards, **Schroeder** was awarded with various projects of Command Military Works in Zayed Military City–Abu Dhabi, to name MEP Works for External Area for CMW11018-B001, Paint Booth & Grit Blast Facilities for CMW11018-B001, MEP Works for CMW11041-C004 and Electrical Works for CMW14034-C001. **Schroeder** has completed electrical works for NMC Hospital in Abu Dhabi which made a remarkable comment from the Client in executing the project with quality performance and in a proficient manner. **Schroeder** has completed the works for HVAC Modifications in Abu Dhabi Airports Company in accordance to the program of work.

As **Schroeder** succeeding through with accomplishment, the company was classified with the highest category in Abu Dhabi Distribution Company and 3rd Category for Electrical and Mechanical contracting and 5th Category Contractor for Onshore and Offshore Oil & Gas and Facilities Services, Power Distribution Networks & Stations and Cooling & Air–Conditioning Systems Installation and Repair Contracting in accordance to Department of Municipal Affairs.

Schroeder had foots step ahead to continually developed for a better engineering scheme, strong business strategy in executing Industrial and Infrastructure electromechanical projects and with its valued and ethics, excellent contracting management and fast track job for MEP works .

Schroeder's to represent its capabilities for an international business expansion and enlarge further its wings for a continuous success.

SCHROEDER'S Major Projects

ISO 9001:2015/ ISO 14001:2015/ ISO 45001:2018 CERTIFIED COMPANY

Our Scope...

Project Name : Emirates Calcium Carbonate Factory Project
Client : Emirates Calcium Carbonate Factory Main Contractor
Main Contractor : AL AHD Gen. Contracting & Maintenance L.L.C
MEP Subcontractor : Schroeder Projekt ElectroMechanic, L.L.C

Scope of Work:

Supply, installation, testing, commissioning, Hand-over and Maintenance of Materials Equipment & Systems related to MEP Works

Project Value : 3.280M (AED)

ISO 9001:2015/ ISO 14001:2015/ ISO 45001:2018 CERTIFIED COMPANY

Our Scope...

Project Name : National Food Production Company (NFPC) Mega Plant,
KIZAD Sector KHIA-8, Plot 65
Client : National Food Products Company
Contractor : CES General Contracting Company
MEP Subcontractor : Schroeder Projekt ElectroMechanic, L.L.C

- (1) Supply, installation, testing and commissioning of 33kV HV Works including Substation + Process Networks; LV (0.4kV installation and Low Current works; Street Lighting Works.

Project Value : 90.7M (AED)

- (2) Supply, installation, testing and commissioning of Street Lighting Works

Project Value : 2.450M (AED)

- (3) Potable Water Supply Network for Domestic & Process Use in MILCO & OASIS Plants

Project Value : 4.6M (AED)

Schroeder
Projekt ElectroMechanic LLC

Our Scope...

Project Name : Construction of Calidus Factory, Al Ain
Consultant : Architecture and Planning Group (APG)
Contractor : Civil Power General Contracting LLC
MEP Subcontractor : Schroeder Projekt ElectroMechanic, L.L.C

Scope of Work:

- (1) Supply, installation, testing and commissioning of MEP Works.

Project Value : 24.2M (AED)

ISO 9001:2015/ ISO 14001:2015/ ISO 45001:2018 CERTIFIED COMPANY

Our Scope...

Project Name : Construction of Process Building Complex at TAWAZUN Industrial Park
Consultant : PARSONS International, Ltd./ DAR Al Handasah
Contractor : Force 10 UAE LLC
MEP Subcontractor : Schroeder Projekt ElectroMechanic, L.L.C

Scope of Work :

- Supply, installation, testing and commissioning of complete MEP Works; including Electrical, Water Supply Drainage, Air Conditioning works, Low Current System and Fire Fighting System for Construction Process Building at TAWAZUN Industrial Park (PED 2273), Al Ajban, Abu Dhabi

Project Value : 13.750 M (AED)

- Supply, installation, testing and commissioning of complete Internal and External MEP Works for Construction of Process Building and Storage Facilities in Al Ajban, Abu Dhabi.

Project Value : 17.0 M (AED)

Schroeder
Projekt ElectroMechanic LLC

ISO 9001:2015/ ISO 14001:2015/ ISO 45001:2018 CERTIFIED COMPANY

Our Scope...

Offices in Zayed Military City, Shwaihan, Abu Dhabi
(CMW-19019-C001), MEP Works
Client : Command Military Works, Abu Dhabi
Main Contractor : Force10 UAE LLC
MEP Subcontractor : Schroeder Projekt ElectroMechanic, L.L.C

Scope of Work:

Engineering, supply, installation, testing and commissioning of complete MEP Works (Electrical + Low Current System, HVAC, Plumbing, Fire Fighting and Fire Hydrants)

Project Value : 17.0M (AED)

ISO 9001:2015/ ISO 14001:2015/ ISO 45001:2018 CERTIFIED COMPANY

Our Scope...

Project Name : New Factory for Gulf Pre-Cast Concrete Company at
ICAD Area- Mussafah (M-41) Abu Dhabi-
Phase I, Phase II & Phase III

Client : Gulf Pre-Cast Concrete Company, L.L.C

Main Contractor : Gulf Pre-Cast Concrete Company, L.L.C

MEP Subcontractor : Schroeder Project ElectroMechanical, L.L.C

Scope of Work:

Supply, installation, testing & commissioning and handing-over of complete Electrical Works.

MEP Project Value : 7.6 M (AED) Phase 1, 2 & 3

Our Scope...

Project : MTB Car Park Construction at ADAC, Midfield Terminal
Complex Abu Dhabi – UAE
Client : Abu Dhabi Airports Company (ADAC)
Consultant : KPF/AECOM
MEP Subcontractor : Schroeder Project ElectroMechanic L.L.C

Scope of Work:

Supply and Installation of Electrical Works.

Supply, Installation, Testing and Commissioning, Fire Fighting, Portable
Water & Waste Water Works

Supply and Installation of MEP Works.

Project Value: 21M (AED)

Schroeder
Projekt ElectroMechanic LLC

ISO 9001:2015/ ISO 14001:2015/ ISO 45001:2018 CERTIFIED COMPANY

Our Scope...

Project Name : NMC Specialty Hospital – Electrical Works
Client : NMC Hospital – Abu Dhabi
Main Contractor : National MEP Contracting/
Advanced National Contracting
MEP Subcontractor : Schroeder Projekt ElectroMechanic, L.L.C

Scope of Work:

Supply, installation, testing and commissioning of complete Internal and External Electrical Works

Project Value : 46.9 M (AED)

9. Company Policy

Schroeder
Projekt ElectroMechanic LLC

ISO 9001:2015/ ISO 14001:2015/ ISO 45001:2018 CERTIFIED COMPANY

QHSE Policy

SCHROEDER PROJEKT ELECTROMECHANIC LLC is involved in the Safety and health of people and the protection of environment as a key factor while meeting its strategic objectives to increase the standard level and quality of its supplied products and services in order to satisfy the customer needs.

The Management and Staff of SCHROEDER PROJEKT ELECTROMECHANIC LLC are committed to:

- Establish, implement and maintain a QHSE Policy that is appropriate to the purpose and context of the organization and supports its strategic direction;
- The continual improvement for its Safety, Health, Environmental and Quality performance standards and to protect the environment and the associated health and safety of its employees, customers, suppliers, and the public. Only through the cooperative effort of all can the best possible QHSE record be achieved
- Appropriate objectives and targets are established and QHSE management programs are formulated.
- Consult, communicate and collaborate with employees and other stakeholders on QHSE matters and QHSE Performance
- The continual improvement for its Safety, Health, Environmental and Quality performance standards and to protect the environment and the associated health and safety of its employees, customers, suppliers, and the public.
- Provide appropriate tools, equipment, operational processes, safe system of work covering all our activities and support reasonably required to ensure success.
- Prevent incidents, accidents, injuries, illnesses, environmental impacts and provide high quality products.
- Where there are risks to safety, health and environment, Aspects need to be assessed under specific duty or regulations. We will ensure that our assessments are carried out and that all actions shown to be necessary will be implemented.
- Comply with the applicable local and federal regulations, customer requirements and to maintain a safe and pollution-free operating practice that complies with the applicable UAE legal and other client requirements.
- SCHROEDER PROJEKT ELECTROMECHANIC LLC communicates this policy to all employees through training and daily management activities, both to ensure their understanding and to ensure that the policy is properly upheld. Our policy is made available to relevant interested parties upon request.

December 12, 2011

To Whom It May Concern

Gulf Precast Concrete Co., LLC is the owner of the Precast Factory located in Mussafah ICAD area and has appointed Schroeder Projekt Electro Mechanic, LLC as the Main Electrical Contractor for all the three Phases of the project.

Schroeder was responsible for all the Shop drawings and full coordination of all the Mechanical services as well the automated machines Electrical feeding arrangement.

There were many challenges on this project such as the initial milestones to the management of major design changes and due to the complexity of the project many logistics and resource challenges.

We have found Schroeder to be committed, professional and organized to meet these challenges specially the initial milestones of putting the factory machines in power in 48 days.

We recognize Schroeder as a competent, proactive Contractor who throughout this very difficult, complex and challenging project has worked diligently in order to make the project a success and bring the project in its three Phases to substantial completion.

Based on their performance on this project we would recommend Schroeder for fast track projects of a similar Nature.

With kind regards,

Gulf Precast Concrete Company LLC
Chief Executive Office
Elias Seraphim

Dubai, 5th of December 2010

To Whom It May Concern:

Project : Dubai Metro – PSD Boom Lighting Works
Subject : PSD Boom Lighting Works – Redline & Greenline

Gulf Line International Trading is the supplier of PSD Boom Lighting for Dubai Metro Property and appointed Schroeder Projekt Electromechanical LLC as the subcontractor for the execution of this project in all the stations.

Schroeder Projekt's scope of work include supervision of installation of PSD Lighting Modules, Electrical connections between the modules and Testing & Commissioning of the PSD Boom Lighting System as per Consultant's approval.

The first phase (ie) the Red Line was highly successful in terms of executing the works in Liaison with different companies involved in JTMJV (Japan Turkey Metro Joint Venture) led project.

And due to this, expert level of overall performance paved us the awarding of second phase of the Dubai Metro Project (ie) the Green Line was again partnered with Schroeder Projekt Electromechanic to excel the mutual commitment of overall job requirement.

During this project, we came across to know about Schroeder 's commitment and highly organized methodology towards fulfilling the project milestone in record time with quality services.

For us Schroeder stands among the top priority to handle similar large scale sophisticated infrastructure projects.

Yours Sincerely,

Gulf Line

International Trading Co. LLC.

To Whom It May Concern:

Project : Baynounah Media Studios – Offices Project

Ramahi Engineering Consultancy was employed as the MEP Consultant on the above mentioned project for which Schroeder Projekt ElectroMechanic, LLC have been engaged as the MEP Main Contractor in direct contract with M/s Baynounah Media Company the owner of the five Media Studios being built in this project.

Throughout the project, we have found Schroeder Projekt to be committed, positive and innovative which was essential to overcome all difficult coordination issues and specific Studio and TV Station requirements. The proactive approach and flexibility they brought to the project ensured the successful completion of all MEP Systems and a trouble free handover.

The MEP installation work was completed to a high Standards and Schroeder's management Team was always available to address and implement the Client's requirements. We also found them to be professional in approaching redesign issues during installation process, maintaining targeted completing dates in high quality installation.

Given the above, we would have no hesitation in recommending them in the future to any prospective Client.
